FULL BIO

Senior Vice President with Dezenhall Resources, Fred Brown, has advised clients on various complex issue campaigns ranging from crisis management to media affairs and litigation communications. He has extensive history conducting advertisement campaigns, opposition research, and a strong understanding of the media landscape.

Brown has extensive experience in combative public affairs campaigns, having previously served as a spokesman for the Republican National Committee, the Republican Jewish Coalition, and Republican campaigns across the country. Brown has also previously worked on large-scale advertising campaigns, serving as a producer, cameraman, and editor.

Originally from Alaska, Brown got his start as a news reporter and anchor for the NBC affiliate in his hometown of Fairbanks. Brown lives in Washington, D.C. with his wife and dog, despite preferring the cold weather of his home state. Brown offers a standing challenge to anyone in Seinfeld trivia.
